### *Building a Shakespearean Character: 'I am Fortune's Fool!'*

Through practically exploring the Stanislavskian approach to creating characters in *Romeo & Juliet*, students will bring the characters to life themselves, culminating in a greater understanding of how to move Shakespeare from page to stage.

### *Physicality, Etiquette and Gender: 'Art Thou a Man?'*

In this workshop we will introduce students to elements of Shakespearean etiquette, physicality and gender. We will directly relate this to the text, enabling them to better understand the context in which Shakespeare wrote.

### *Shakespearean Verse in Performance: 'Trippingly on the Tongue'*

This workshop gives students an opportunity to understand verse in the best possible way – by speaking it. Taking a scene from *Romeo & Juliet*, we provide an introduction into how actors access the meaning of Shakespearean verse.

### *Shakespeare the Icarus Way: 'The Two-hours' Traffic of our Stage'*

This workshop gives students the opportunity to workshop one of the scenes of the play exactly as Icarus did. In exploring Icarus' approach to *Romeo & Juliet*, students will work practically with both Shakespearean verse and movement work, two of the mainstays of the Icarus style.

---

Each workshop lasts approximately 90 minutes, will be led by a professional facilitator and cast member of *Romeo & Juliet* (subject to performance schedule of the actors), and includes an education pack.

Our education team are able to adapt material to fit your requirements. By arrangement, workshops can sometimes be held in the theatre, on our stage.
